GOALS AND OBJECTIVES

- Facilitating at least three new pairings annually between Mentor and Protégés to achieve Calmentor Program SMART Goals and Development Milestones;
- Facilitating at least four general membership meetings annually including the Calmentor Program Annual Luncheon where educational workshops, presentations, and other information is shared to expand the knowledge and capacity of members around the public transportation contracting process and requirements;
- Facilitating at least four business networking sessions to foster new business contacts and pairings among Mentors, Graduate Protégés, and Protégés during Calmentor Program regular membership meetings and the Calmentor Program Annual Luncheon;
- Fostering relationships with regional/local public transportation agencies in the District 4 geographic region to participate in Calmentor Program general membership meetings and the annual luncheon and to share information on upcoming procurements, small business outreach events and support, and procurement process requirements; and
- Supporting non-certified Protégés to obtain California Micro-Business Certification.

DON'T MISS YOUR OPPORTUNITY TO BE A PART OF OUR MENTOR/PROTÉGÉ PROGRAM!

- Network and partner with local firms
- Expand your business opportunities.
- Achieve your full growth potential.
- Business events focused on transportation industry.

PROGRAM OVERVIEW

Value of the Program:

- Gain access to a wealth of expertise, invaluable resources, and networking opportunities.
- Forge your path amidst industry challenges: Let us help guide you through the labyrinth of contract complexities.
- Illuminate your path to success: With our support, you will learn about new industry opportunities.
- Leave an indelible mark on the landscape of California's transportation achievements.
