Furnish and install Project Funding Identification to include the current federal funding program Infrastructure Investment and Jobs Act (IIJA) of 2021 and replace the state highway SB-1 funding signs with Rebuilding California. The C50A(CA) & C50B(CA) funding signs are used for projects funded by both federal highway funds and state highway funds and replaces the sign C47B(CA). The revised C48A(CA) sign with Rebuilding California logo is used for projects funded by state highway funds.

Reason for Change

On April 20, 2023, Caltrans Director Tavares unveiled the new Rebuilding CA and Infrastructure Investment and Job Act (Rebuilding CA-IIJA) Construction Project Funding Identification Signs C50A(CA) and C50B(CA). These signs will be the new standard for projects progressing into the Construction phase and replaces the C47A(CA) and C47B(CA) signs. Caltrans coordinated with the California State Transportation Agency and developed a revision to the construction funding signs with a new "Rebuilding CA" logo which replaces the previous "SB-1" logo. Also incorporated in the sign is the federal logo from the Bipartisan Infrastructure Law Funding Source Sign Assembly guidance received from U.S. Department of Transportation in November 2022. These signs were approved by FHWA in March 2023. The "SB-1" logo change required revisions to C48(CA) replaced by C48A(CA) and C49B(CA) replaced by C49C(CA).
