Crash Data on State Highway System Request Form

Please complete this form to request crash data on the State Highway System and either 1. External requestors submit this form with your California Public Records Act request, 2. Internal requestors submit this form to your respective District Traffic Safety office. This crash data request form shall accompany all crash data requests. If you are Non-Caltrans personnel, please submit your request via our California Public Records Act (CPRA) portal following the link below.

https://caltrans.mycusthelp.com/WEBAPP/_rs/(S(h2yg4jgtjvs3zld55xux1qsd))/supporthome.aspx

In order to ensure efficient service, please provide as much information as you can.

Per California Department of Transportation (Caltrans) records retention policy for Traffic Safety and Traffic Accident Surveillance and Analysis System, crash data is only available for the most recent 10 complete calendar years plus the current year.
