

Active Transportation Program (ATP) Corrective Action Plans

New/Past Corrective Actions Pending Resolution

No.	Dist-PPNO Co-Route	Title	Scope	Schedule	Cost	Benefits	Update
1	06-6915 FRE	Intersection Improvements to Increase Active Transportation along Bus Rapid Transit	Agency reported a possible scope change in progress report. Progress report shows a reduction of sidewalk enhancements. Agency is submitting a scope change. Whether the scope change is major or minor is yet to be determined. No scope change reported in the latest progress report - As of August 16, 2023.				Quantities listed in the application have math errors. District is working with the City on getting the actual quantities needed. - As of February 2023. Currently in Construction. ATP PM inquired with the District on status of the project as it relates to the February 2023 update listed above. Awaiting response - As of August 16, 2023.
2	11-1324 SD	Rock Springs Road Safe Routes to School Sidewalks and Bike Lanes	Agency informed Caltrans HQ ATP that the initially planned Class II bike lanes were removed from the project due to the new safety standards in the Caltrans Guidance for Bike Facilities (updated March 2020) have been adopted and the project scope has changed from the original grant application. Agency also informed Caltrans HQ ATP that based on the new guidance, a bike lane is not recommended at this location because of the posted speed and traffic volume.	Currently in CON phase.			New corrective action this quarter. ATP PM inquired with the District if a scope change request has been submitted to the District. District informed HQ ATP that the agency is planning on submitting a scope change request. ATP PM requested the District for a meeting with the agency prior to submitting the scope change request - As of August 16, 2023.
3	11-1461 IMP	El Centro Pedestrian Improvement Project	Agency reported in progress report reduction in anticipated output.			Agency reported in progress report that they were awarded a reduced grant amount thus had to reduce the scope of the project.	New corrective action this quarter. ATP PM inquired with the District if there is a design modification or scope change for the project. Awaiting response - As of August 16, 2023.

Past Corrective Actions - Resolved. These project will fall off this list at the next Semi-Annual Report
